The Closing Date is earlier than it has been for previous shows

Closing date: Postmarked by May 9th or received via email no later than 7:00 p.m., May 10th.

NEW: Most likely limited to 60 entries. If oversubscribed, entries will be accepted in the order a complete entry is received – a complete entry means all the necessary information is on the form, along with the required signatures, and payment is received the same day as your entry. A received complete entry allows you to get a spot in the queue. A wait list will be kept.

General Information: The show will run from high to low, starting with preliminary or training level in the morning and finishing with grasshopper. It is likely we will start at 8 a.m. Riders perform their dressage test then show jump in the designated show jumping time window for their division. There will be time to change tack. Dressage tests are to be ridden from memory – no callers allowed. Fly masks and nose nets are permitted. Prizes to first place and ribbons from first through fifth place for all divisions. Lynnleigh Farm reserves the right to refuse entries. **NEW: Horses may only be judged in one division with one rider. However, a horse may be ridden a second time in the same division or in the next lower division by a different rider. The second pair will not be judged for placing, but they will get a dressage test score and a stadium score for reference only. Each pair must pay a separate entry fee.**

LYNNLEIGH FARM'S 2018 2-PHASE SHOW SERIES AWARDS WILL BE PRESENTED SOON! There will be 2019 awards too.

Entry Fee 2-Phase: \$55 for the 2-phase.
